Dear Parent or Guardian of a Class of 2022 Student:

We are very excited to announce that this year every student in the Class of 2023, as well as all of their teachers, will be traveling together to take in the sights and history of one of our country's greatest cities, New York City!

The schedule for this trip has been adapted and the cost greatly reduced to ensure every student enjoys this outstanding learning experience. This unique opportunity is made possible at less than half the actual cost by generous subsidies provided by City Charter High School and other community sponsors. **With that said, The total cost of this trip is \$790 per student based on quad occupancy. Fortunately, for our students, their financial responsibility to attend this trip is only \$295.00/ per student based on quad occupancy.** There will also be two fundraisers in the fall and two in the spring in order to help families to raise money for this class trip.

- All tour costs, meals, taxes, tips, and roundtrip tour bus transportation
