

Use of Student Photograph

Student Name: _____

Dear Parents,

We are sending you this parental consent form to both inform you and to request permission for your child's photo/image to be published on our website, social media, newsletter, or other social media outlets and publications. We want to celebrate your child and his/her work and maintain good lines of communication with you. It is our aim at City Charter High School to ensure that the use of social media at the school is undertaken responsibly and that the confidentiality of pupils and staff and the reputation of the school are safeguarded.

City High's use of social media helps increase communication with parents and the community and promotes the success of our school and our students. Remember that when publishing material we will typically publish First Names and Last initial, and that in the case of a close up of a child's image or use of full name we will seek your permission before it is used.

Thank you!

Dr. Dara Ware Allen, CEO
