May 5, 2021

Dear Parents and Guardians:

We hope this letter finds you well and that the third trimester is off to a wonderful start for your student(s). This is a follow-up to a letter we sent in November about City Charter High School receiving Title I funding.

**You may recall that this funding is used to provide the following:**

- Teachers that provide focused support for reading, writing, and mathematics;
- Paraprofessional assistance for students in reading, writing, mathematics, and technology;
- Tutoring for ninth and tenth grade students;
- Support for parent workshops;
- Transportation to academic field experiences for students; and
- Staff development sessions and professional learning opportunities that enable teachers to further develop their knowledge as learners and strengthen their practice as effective teachers.

As a Title I school with a School-Wide Program, City High annually reviews and approves its School-Wide Parental Involvement Policy, School-Wide Plan, and Professional Development Plan. These are jointly developed by parents, teachers, and administration.

**There will be a school-wide parental involvement meeting on Monday, May 24th** if you are interested in learning more about the Title I services we provide and would like to have input into the policies and plans listed above. The meeting will start at 9:00 a.m. and will be virtual via Google Meet.

If you are interested and able to attend, please email Cristine Watson-Smith, our Reading Specialist, at [watson-smith@cityhigh.org](mailto:watson-smith@cityhigh.org) and she will send you the virtual link. We hope you are able to join us.

Take care and please continue to stay safe.

Dara Ware Allen, Ph.D.  
CEO and Principal
