Good morning Parents and Guardians of City High's Class of 2027!

We look forward to running through the finish line with all of you in June!

On behalf of the Post High School Planning Department, the Transition Team is excited to work closer with our senior students. The Transition Team, consisting of Mr. Carrington and Ms. Wefing, will work with a subset of students based on their last names. All students whose last names begin with "A thru J" will work with Mr. Carrington this year. And, all students with last names beginning with "K thru Z" will be working with Ms. Wefing. But, please never hesitate to reach out to either of us if you have any questions!

In addition to a formal e-introduction, we'd like to let you know of some key dates in the first trimester. While we still have ongoing planning, here are some things that we have nailed down so-far that should be on your radar as well as your student:
